Handwriting Information Session for Parents

Dear Parents,

We will be running a handwriting information session for parents of infant and junior children on **Thursday 2nd February at 2.30pm** in the infant school. This session is being offered as a result of parental comments to staff and feedback at the Year Group Welcome meetings and Maths workshops held in the Autumn term.

The session will provide information on how handwriting is taught as well as the progression of skills as your child moves up through the schools, and will offer guidance for you so that you can help your child. Handwriting is a very important part of the primary curriculum and under the new assessment arrangements, introduced nationally last year, children generally will not be able to attain age-related expectations if their handwriting is not age-appropriate.

On this occasion we are able to offer a crèche for younger children which will be run by members of staff. Please complete the slip below and return it to school if you intend to attend this workshop and to notify us if you would like to use the crèche.

Yours sincerely,

Mrs T. Robey
English Manager, Infant School
