

Moving up to a Secondary School in Basingstoke

Dear Parents,

We are aware that choosing a secondary school for your child is a very important decision. Children in Basingstoke and Deane benefit from many schools with superb facilities and dedicated, talented staff. We are proud of the quality of secondary education in Basingstoke and Deane; standards are good and continue to improve; teachers are well trained and motivated; headteachers and principals are leading schools that are attractive, well maintained and equipped with the latest technology.

Each of our secondary schools has its own distinctive ethos and approach to excellence. We understand the importance of choosing a school that you believe will best suit your child's needs, and are working together to assist you in making the most appropriate choice. Our aim is to do all that is possible to give you the relevant information that you need.

Each school produces its own prospectus that contains a great deal of information to help you make up your mind before you complete the application process. In addition you will be a welcome guest at the Open Evenings that will be organised by the schools.

If you have any queries about an individual school, do not hesitate to contact the Headteacher or Principal.

We wish your child a happy and successful future as they embark on the next phase of their education.
