Dear Parents,

Poster Competition

The School Council have been tasked with preventing the growing problem of fly tipping around the federation grounds.

They would like to run a competition and are asking the children to create a poster that can be displayed in the school grounds to encourage the public not to dispose of their rubbish around the school. The posters need to be bright and colourful and give a clear message.

Everyone who takes part will get a certificate and there will be first, second and third place prizes awarded for the posters that best meet the criteria given above.

Please return all entries by **Friday 9th June**. The winners will be announced the following week.

Thank you in advance from the School Council for all of the effort and support that you will be putting into encouraging your children to create their amazing posters.

Yours sincerely,
