Dear Parents

### **Accessibility Plan review**

This week governors and school staff are reviewing our Accessibility Plan and will update our action plan for developing and improving our federation site to ensure it is as accessible as possible within the financial resources available.

In order to ensure you and your children are a part of this process, if you wish to do so, please complete the attached slip giving your opinions which can then be considered within the Accessibility Plan review.

Thank you for your help and support.

Yours sincerely

Mrs C.A.Clayton  
Head of Federation
