Dear Parents,

Winklebury Infant and Junior Schools

Parent-Teacher Consultations Autumn Term 2016

We are looking forward to meeting you at our parental consultation meetings. When you come to meet with your child's class teacher you will talk about the progress your child has made since moving to their new class, including progress in his/her personal, social and emotional development. We very much value the partnership that we have with you, and would like to give you the opportunity to be actively involved in the process of parental consultations.

By way of a contribution to the discussion you will have with your child's class teacher, we would like to invite you to write briefly about your child, using the prompts below, and to return this to school by **Monday 7th November** so that we have time to consider your responses before the meetings. We will retain your contribution as part of your child's educational records and it will be passed on as your child moves through Winklebury Infants and/or Juniors and then on to his/her next school.

I hope you feel able to contribute to the parental consultation process in this way and we look forward to your responses.

Yours sincerely,

Mrs C.A. Clayton
Head of Federation
