Please be reminded of the federation's 50% subsidy for one club for children who have been over the past six years, or currently are, entitled to free school meals. If your child is entitled to the 50% subsidy, please make this clear when you are returning your form and we can then check the entitlement on our computer system and record your payment accordingly.

Payment for all activities can be made in one envelope with the exception of Karate. Payment deadline for clubs is Friday 6th January. Payment can be made by instalments.

Attached is an application form for all the activities that are available. Please hand this to the school by **Friday 16th December**. Please assume your child has been allocated a place unless you hear differently. Places for some of the clubs are limited. If applications outnumber places, we will apply the following criteria:

1. Children who have handed in their application form by the deadline of 16th December, irrespective of date of payments made online or at the Federation Admin Office
1. Places will be allocated so that a child has the opportunity to attend at least one club
2. If demand still exceeds places preference will be given to Year 6 children
3. If demand still exceeds places we will draw names out of a hat

If applications outnumber places for the choir we will decide who can attend based on consideration of the following:

1. Attitude to learning and participation
2. Reliability with reference to perseverance and attendance
3. Willingness to practise skills where required

Can I please ask you to ensure that your application form is returned promptly so that we know which children are attending an activity on a given day and can make sure the children are dismissed to the correct place at the end of the day. Thank you.

Yours sincerely,

Mrs C.A. Clayton
Head of Federation
